

KINSHIP CARE

What IS kinship care? It's the full time nurturing and protection of children by relatives who have a kinship bond with the children when those children have been separated from their biological parents.

Catholic Charities offers support to kinship families through online/In person support groups featuring community speakers, family fun events, YMCA family gym memberships, links with community resources, counseling services and much more. If in need of our services or have questions please call 716-372-0101 or email Jennifer.norton@ccwny.org
