Peer Engagement Program

"When you becomes we, things get easier".

Faithfully serving our communities since 1974

Participating Counties

Livingston, Cattaraugus, Steuben, Chemung and Tioga Counties

What is a Peer Engagement Specialist?

- Our Peers are individuals who are living the recovery experience and are trained and certified to help their peers gain hope and achieve specific life and recovery goals.
- Peer Specialist share real world knowledge and lived experience as guidance towards a program of wellness and recovery.
- The role our Peers play in the recovery journey of a client varies depending on the unique needs of the individual. Peers will advocate for their clients in treatment settings and within their own community as they access the resources they need.
